

# Affiliate Marketing - The Action

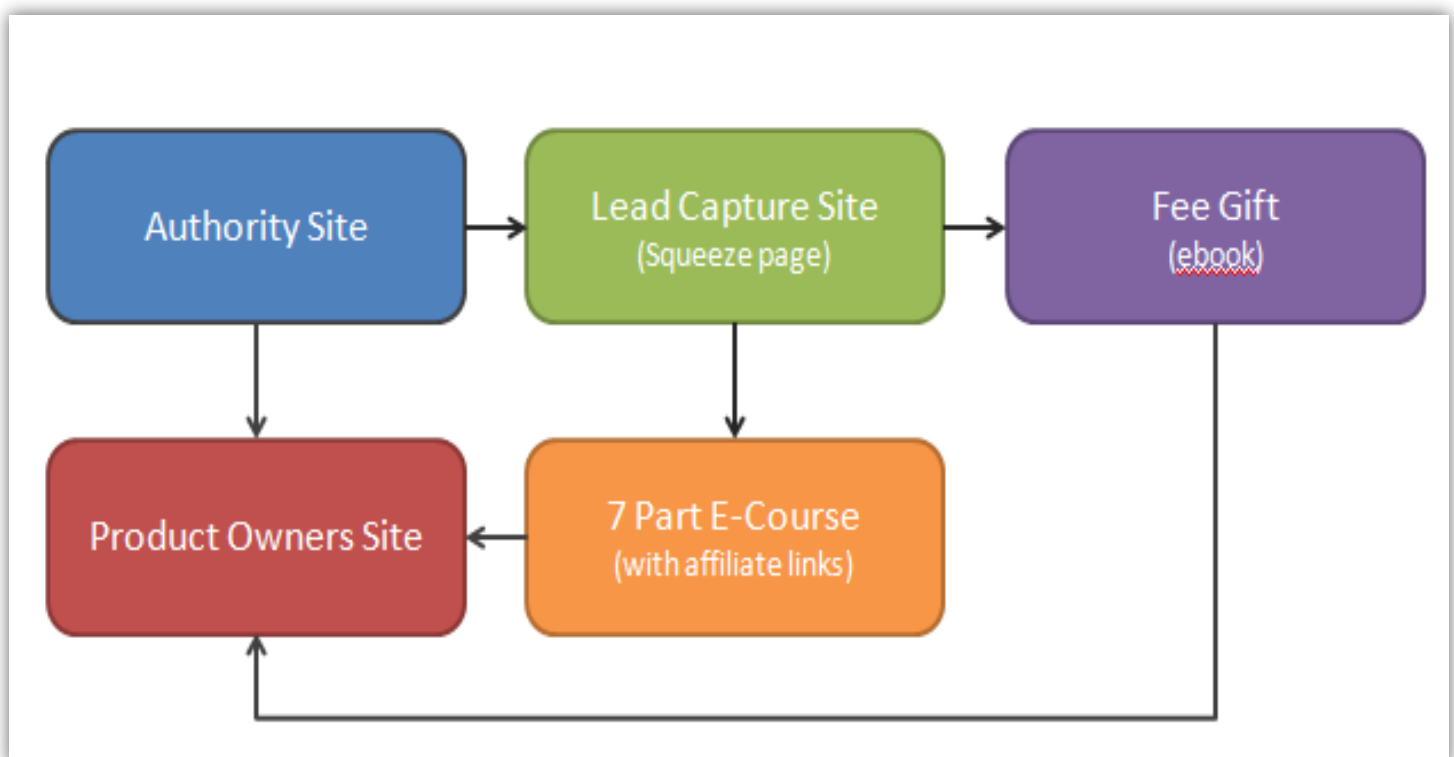

## Step 1 – The Niche

- \* Internet Marketing
  - It is competitive, but there is plenty of potential

## Step 2 – The Products

- \* **FusionHQ** – recurring income, good percentage, market leader, provides tools
- \* **Rapid Video Blogging** – Good commissions, backend potential, top quality
- \* **UAW** – We use it, recurring income, fair percentage, very useful for my list/market
- \* **Traffic Travis** – Useful tool, saves time, good value, good reputation, free front end

## Step 3 – Building The Site

## Action Steps

1. Adjust your site design if needed
2. Build your site
