

How to Add the Login Box to Your Page

You are able to add the login box element in your sale funnel to allow your customers to log in and access the membership site immediately after purchase.

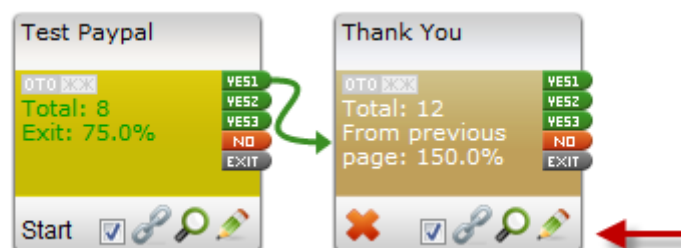

Here's how:

Step 1: Go to your sale funnel.

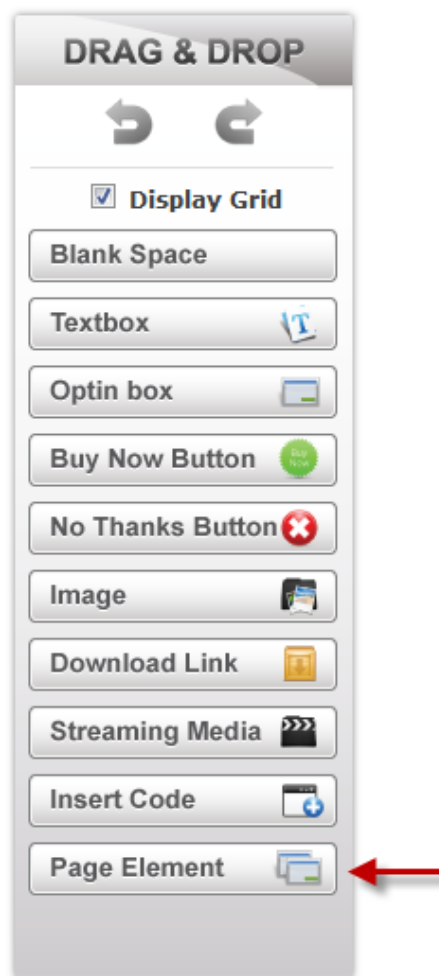

Funnel Name	Views	Sales	
Buy Now#1 http://tester7.doubleexpert.com/tanya/buynow1/	7	3	Edit Duplicate Delete
Test ClickBank http://tester7.doubleexpert.com/tanya/clickbank/	12	8	Edit Duplicate Delete
Test Payment 1ShoppingCart http://tester7.doubleexpert.com/tanya/1shoppingcart/	1	0	Edit Duplicate Delete
Test Shopping Cart http://tester7.doubleexpert.com/tanya/shoppingcart/	2	0	Edit Duplicate Delete

Step 2: Open the page where you want to add the login box. It could be the "Thank You" page or any page.

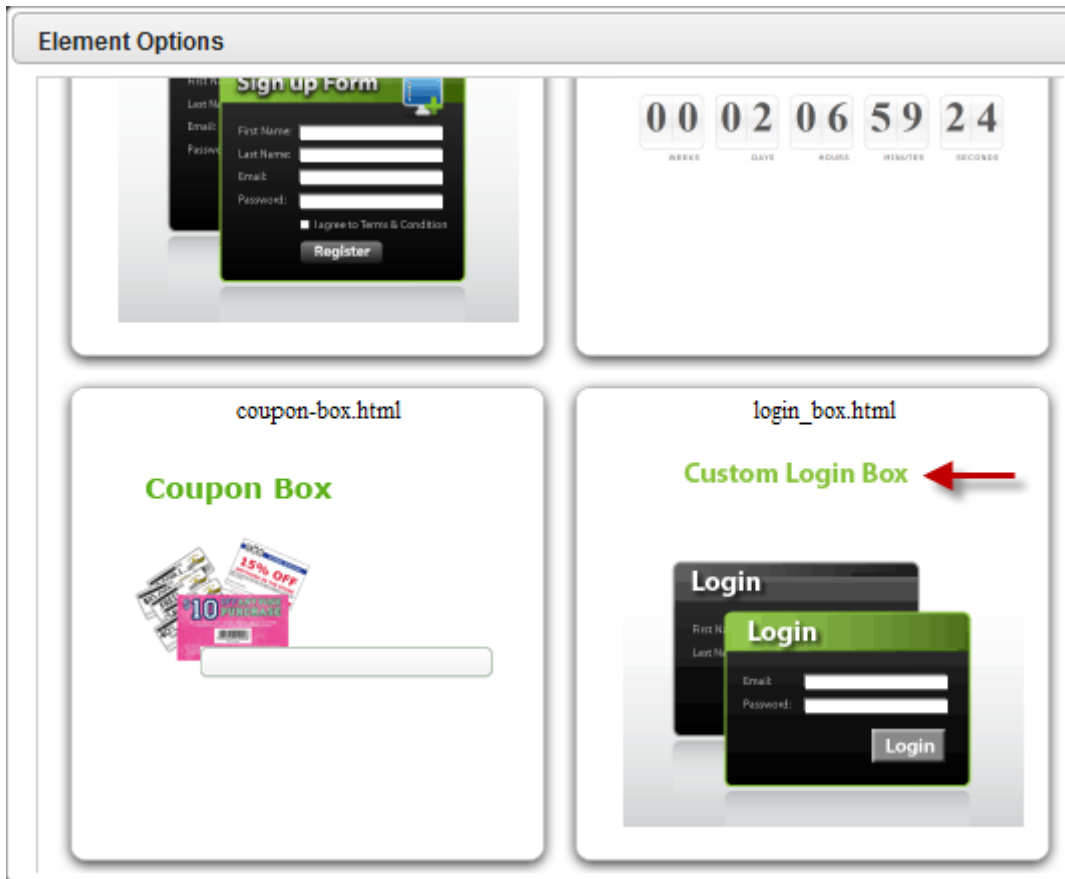

Step 3: At the "Drag & Drop" module, use the "Page Element".

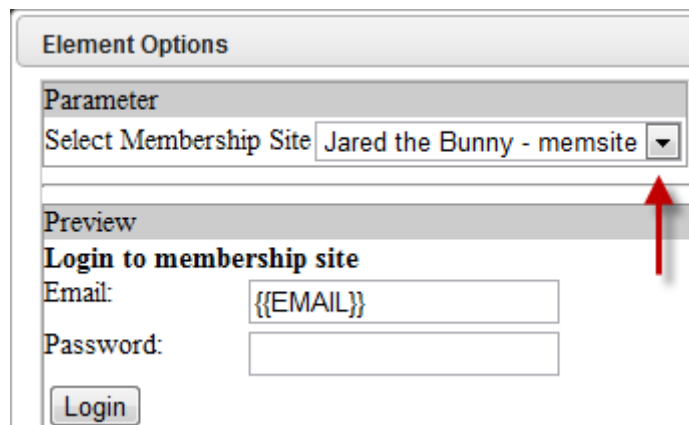

Step 4: At the "Element Options" popup, select "Add-ons" option.

Step 5: After that, choose "Custom Login Box" option.

Step 6: Select the "Membership Site" from the drop-down and click "Apply".

Step 7: Resize the login box element if needed.
