

How to Create the Subscription Payment Option (Paypal)

Want to make a recurring payment option for your product? Don't worry. Paypal allows you to make the subscription payment and it's very easy. Make sure that you have set up the payment profile and the product correctly.

Then, here it is.

Step 1: Go to the product which you want to add the payment option. Click the "Edit" button or its name to get access.

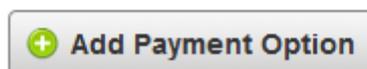

Product Name	Sales	Revenue		
Dress	2	0.20	Edit	Delete
Free product	0	0.00	Edit	Delete
Give Away Product	2	20.00	Edit	Delete
January product	5	0.40 0.40 USD 0.10 THB	Edit	Delete

Step 2: Click "Add Payment Option" button.

Now set payment options here
(leave this if the product is free)

 + Add Payment Option

Step 3: Type in the name of your payment option and then choose Paypal in "**Profile**". This is the profile you've set up in the "**3rd Party**" section. If you haven't set it up yet, we suggested to go ahead and set it up before continuing with this tutorial.

General Settings	
Name	<input type="text" value="\$27 x 6 month package"/>
Profile	 My Paypal (paypal@mail@hotmail.com) <input type="button" value="v"/>

Step 4: Choose the "**Currency**" from the menu. These are the currencies used in Paypal system. Enable the "**Subscription**" option. Add the price of each billing in the "**Subscription Amount**". Choose the number of months you would like to bill your customer for at "**Billing Cycle**". This number represents the billing cycle they will be charged each time. Click "**Continuous Billing**" if the payment is on-going. Or choose a number to type into "**Stop after.... of cycles**" if the payment has an exact billing period.

Price Settings	
Currency	<input type="text" value="USD - US Dollar"/> <input type="button" value="v"/>
Payment Plan	<input type="radio"/> Buy once <input checked="" type="radio"/> Subscription
Subscription Amount (recurring billing)	<input type="text" value="27.00"/> USD
Billing Cycle	<input type="text" value="1"/> <input type="text" value="Month"/> <input type="button" value="v"/>
	<input type="radio"/> Continuous Billing
	<input checked="" type="radio"/> Stop after <input type="text" value="6"/> of cycles
Offer Trial (optional)	<input type="checkbox"/>

Step 5: Enable the "**Offer Trial**" if you would like to offer a trial for your product. Enter the cost in the "**Trial Cost**". Enter 0 (zero) if it's a free trial. Next, type in the total number of days for your "**Trial Period**". **This can't be left blank!**

Offer Trial (optional)	<input checked="" type="checkbox"/>
Trial Cost	<input type="text" value="0.00"/> USD (Enter 0 if your trial is free)
Trial Period	<input type="text" value="7"/> <input type="text" value="Day"/> <input type="button" value="v"/>

Step 6: Enter the days of your "**Money Back Guarantee**". This function is for FusionHQ system to calculate and release the affiliate commission of this payment option after the specific time. Enable or disable the "**Test Mode**".

Additional Settings	
Money Back Guarantee	<input type="text" value="60"/> day(s) ←
Test Mode	<input type="radio"/> Yes <input checked="" type="radio"/> No ←
Attention!! Please ensure that your PayPal is set up correctly so that it performs well with FusionHQ payment system. Click here for more information.	

Step 7: And this is the payment option of this product. One product can have more than one payment options.

Payment Plan Name / Details	Sales	
<input checked="" type="radio"/> Buy Once \$97 One time price of 97.00 USD	0	<input type="button" value="Edit"/> <input type="button" value="Delete"/>
