

How to Delete A Page

You can delete a page in your "Sales Funnels" or "Content site" whenever you like.

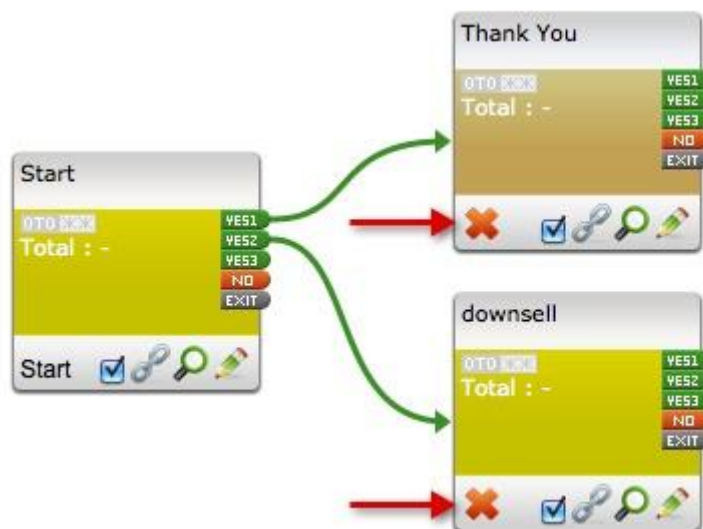

Here's how:

Step 1: Go to your "Sales Funnel" or "Content Site". Click the edit button or the funnel/content name of the "Sales Funnel" or "Content Site" that you want to delete a page.

Funnel Name	Views	Sales	Actions
Test Page http://www.yourxir8er.com/	172	0	Edit Duplicate Delete
tutorial http://www.yourxir8er.com/tutorial	2	0	Edit Duplicate Delete
MDT Giveaway Funnel http://mymdt.yourxir8er.com	4	0	Edit Duplicate Delete

Step 2: Choose the page that you want to delete and click the 'X' icon on that page.

Step 3: A confirmation pop-up window will show up. Click the **"Yes"** button to confirm deletion. **"No"** if you don't want to delete the page.
