

How to Export the Optin List

FusionHQ allows you to export the optin list in your own FusionHQ account so that you can use it with other providers.

This is how:

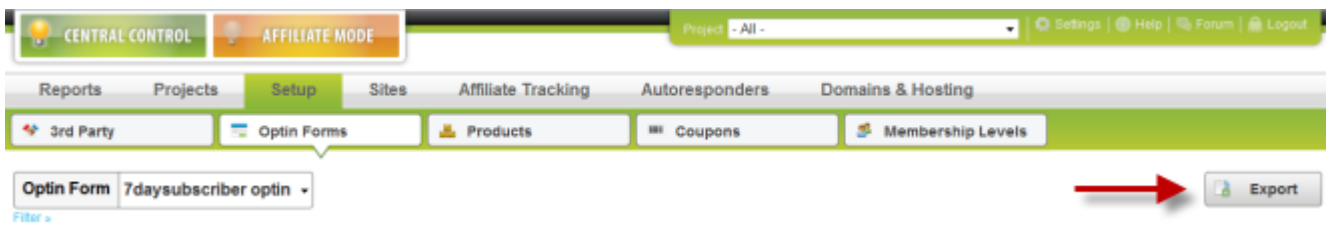

Step 1: Go to "**Setup**" and continue to "**Optin Forms**".

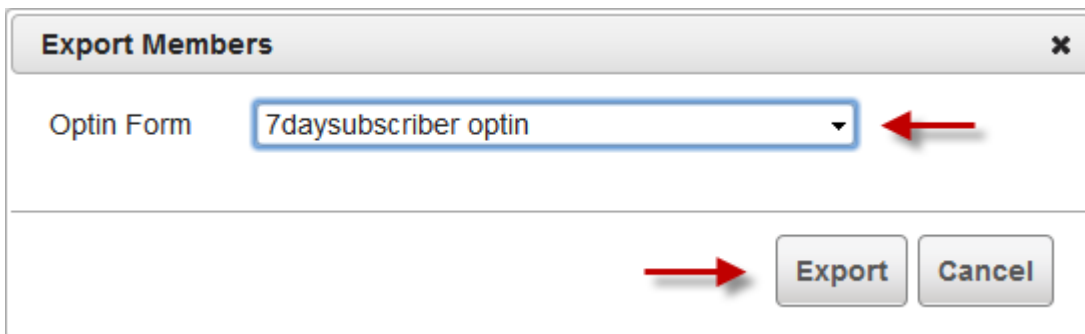

Step 2: Click "**Manage List**" button.

Optin Name	Members				
7dayssubscriber optin	18		Manage List	 Edit	 Delete
test form	4		Manage List	 Edit	 Delete
contact form	3		Manage List	 Edit	 Delete
eway optin form	10		Manage List	 Edit	 Delete

Step 3: Then click "Export" button on the right side.

Step 4: Select the "Option Form" from the dropdown menu and click "Export" button again.

Choose the destination to store your file on your computer. It's in the .csv format.
