

How to Hide the Sales Funnel Or Membership Sites

In case you no longer use any sales funnels or any membership site, you are able to hide it in order to make the site lists in your account in order. Please note that this option is to hide the funnels or membership site in your FusionHQ account. You cannot hide the live site on the internet.

This is how it works:

Step 1: Go to "Sites" and continue to either "Sales Funnels" or "Content Sites".

Step 2: Click "More" to extend the options.
