

How to Obtain Your Own Affiliate Tools to Promote FusionHQ

To become an affiliate of FusionHQ, you can go to www.fusionhq.com/partners. It is free. Once you register, you will see the affiliate links which you can give out to people. If your customers buy FusionHQ through your affiliate tools, you will earn 33% recurring commission. This tutorial will show you exactly how to get your own affiliate promotional tools.

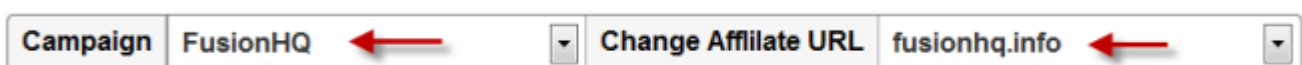

Step 1: Go to "Affiliate Mode" (orange interface).

Step 2: Go to the "Promo Tools" tab.

Step 3: Select the campaign from the drop-down menu. "Change Affiliate URL" allows you to have different URLs aside from "fusionhq.info". These include: "fastestcheckout.com", "letmecheckout.com", "givememoreinformation.com" and "transfermeto.com". These domains are under FusionHQ license.

Step 4: The "Affiliate Instructions" is a letter from "Ben Brandes", FusionHQ's Affiliate Manager. You will also find your own affiliate link to our sales page, our presell link and a link for the webinar.
