

How to Set Up the DigiResults Profile & Payment Option

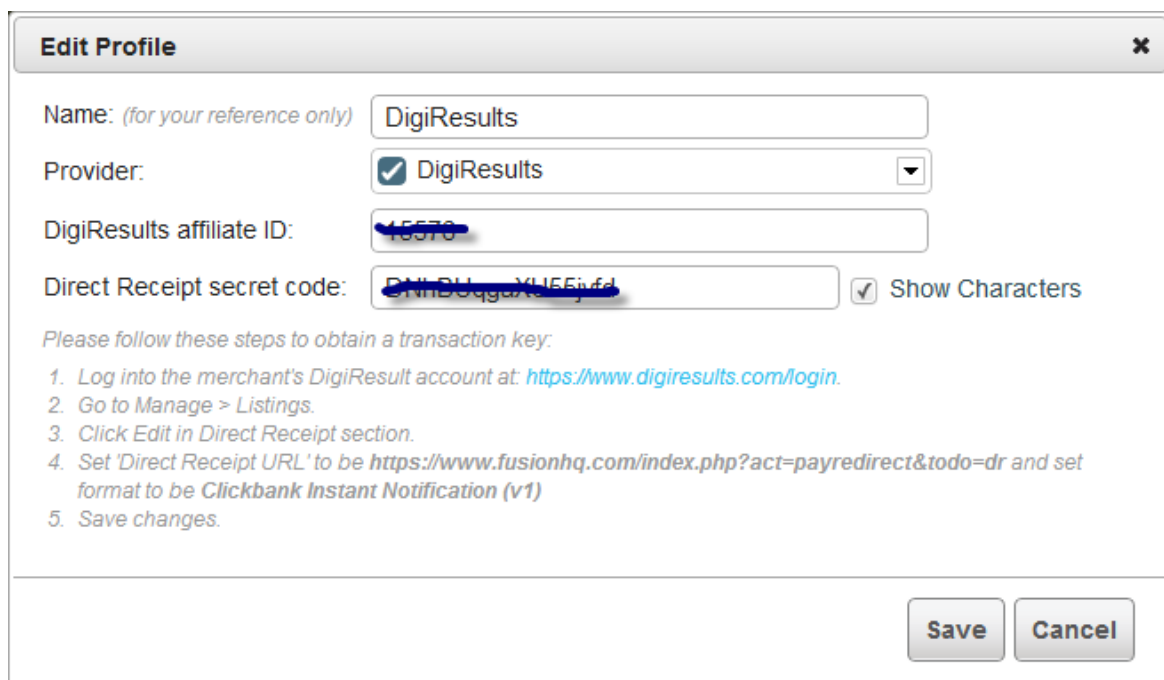

DigiResults is a newly integrated payment gateway with FusionHQ.

Step 1: Go to "Setup" and "3rd Party". Create a new payment profile.

The screenshot shows the FusionHQ dashboard with the 'Setup' tab selected. Under 'Setup', the '3rd Party' menu item is highlighted with a red arrow. Below this, the 'Payment Gateway' table is visible, listing existing profiles: 'My Paypal', 'ClickBank', and 'new Paypal account'. Each profile has 'Edit' and 'Delete' buttons. At the bottom of the table, there is a search bar with the text 'Enter your new profile name here' and a 'Create Profile' button.

Step 2: Select "DigiResults" from the dropdown menu. Enter your "DigiResults affiliate ID" (click Report in your DigiResults to find the ID). And enter the "Direct Receipt secret code" (click Manage >> Account in your DigiResults account).

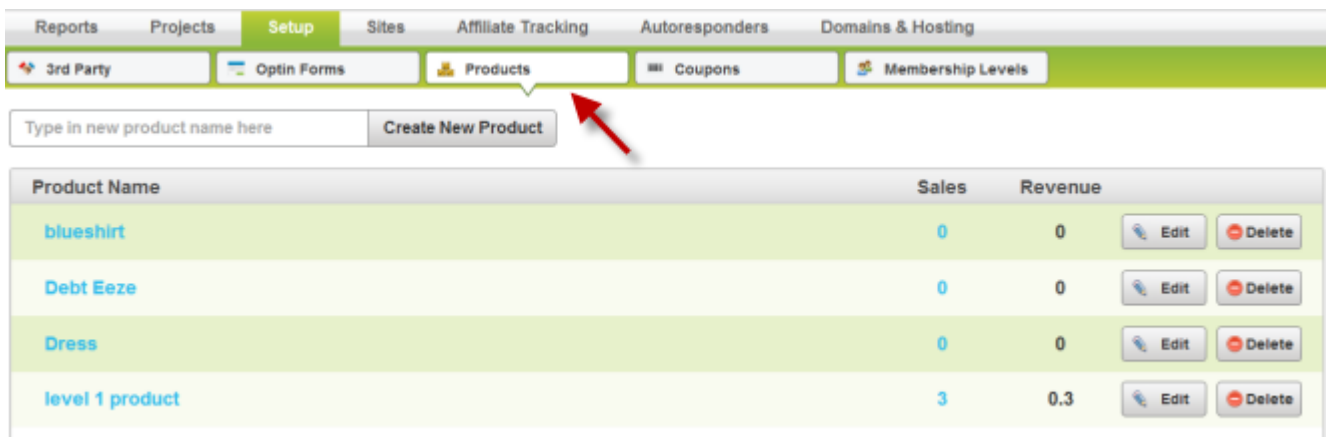

The screenshot shows the 'Edit Profile' dialog box. The 'Name' field is 'DigiResults'. The 'Provider' dropdown is set to 'DigiResults'. The 'DigiResults affiliate ID' field contains a redacted value. The 'Direct Receipt secret code' field contains a redacted value, and the 'Show Characters' checkbox is checked. Below the form, there is a list of instructions for obtaining a transaction key:

1. Log into the merchant's DigiResult account at: <https://www.digireresults.com/login>.
2. Go to Manage > Listings.
3. Click Edit in Direct Receipt section.
4. Set 'Direct Receipt URL' to be <https://www.fusionhq.com/index.php?act=payredirect&todo=dr> and set format to be Clickbank Instant Notification (v1)
5. Save changes.

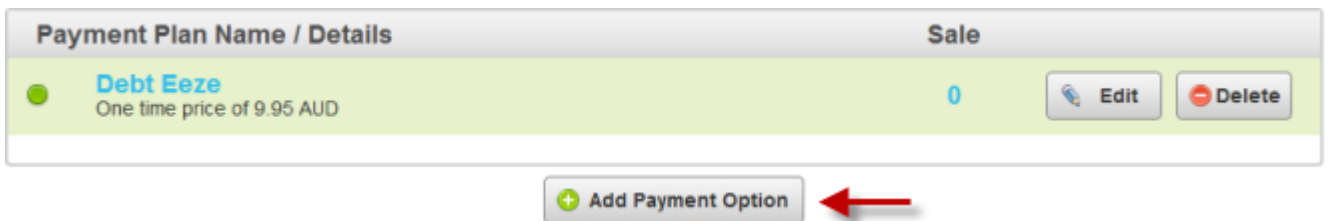

At the bottom right of the dialog box, there are 'Save' and 'Cancel' buttons.

Step 3: Save changes and set up your product and payment option.

Product Name	Sales	Revenue		
blueshirt	0	0	Edit	Delete
Debt Eeze	0	0	Edit	Delete
Dress	0	0	Edit	Delete

Step 6: Enter the "Product ID" and "Variant ID" (you can get the ID in the url when you go to Manage > Listings > Listing: Mambo > Product > Variant: Default).

The screenshot shows the DigiResults Settings interface. At the top, the browser address bar displays the URL: `https://www.digireresults.com/manage/products/3110/variants/5211`. Red boxes highlight the numbers 3110 and 5211. Red arrows point from these numbers to the labels "Product ID" and "Variant ID" respectively. Below the browser window, the "Variant: Default" page is visible, showing the breadcrumb "Manage > Listings > Listing: Mambo > Product: Mambo Jumbo > Variant: Default". At the bottom of the page, there are two input fields: "Product ID" with the value "3110" and "Variant ID" with the value "5211". Red arrows point from the labels to these input fields.

Step 7: Set up the price. You can set up the "Buy Once" option and the "Subscription" option.

The screenshot shows the "Price Settings" form. It includes the following fields and options:

- Payment Plan:** Radio buttons for "Buy once" and "Subscription" (selected).
- Subscription Amount:** A text input field containing "19" followed by "USD".
- Billing Cycle:** A text input field containing "1" followed by a dropdown menu set to "Month".
- Options:** Radio buttons for "Continuous Billing" and "Stop after" (selected).
- Stop after:** A text input field containing "5" followed by "of cycles".

Once finished, save changes.
