

# How to Setup A Subscription Payment With ClickBank

Follow the steps below to set up a subscription payment inside your ClickBank account so it integrates with FusionHQ correctly.

**Step 1:** Login to your "ClickBank" account.

The image shows the ClickBank login interface. At the top, it says "Log In". Below that, a message states: "When you log in you agree to the terms stated in the [ClickBank Client Contract](#)." There are two input fields: "Nickname (Username):\*" and "Password:\*". Below the password field is a link for "Forgot your password?". There are two buttons: "Log In" and "Reset". A note at the bottom right says "\* Required". To the right of the form is a cartoon dog with a speech bubble that says "Log in!".

**Step 2:** Go to "Account Settings" and click "My Products".

**Step 3: Go to "Recurring Billing Products".**
