

Where Can You Change Your FusionHQ Password?

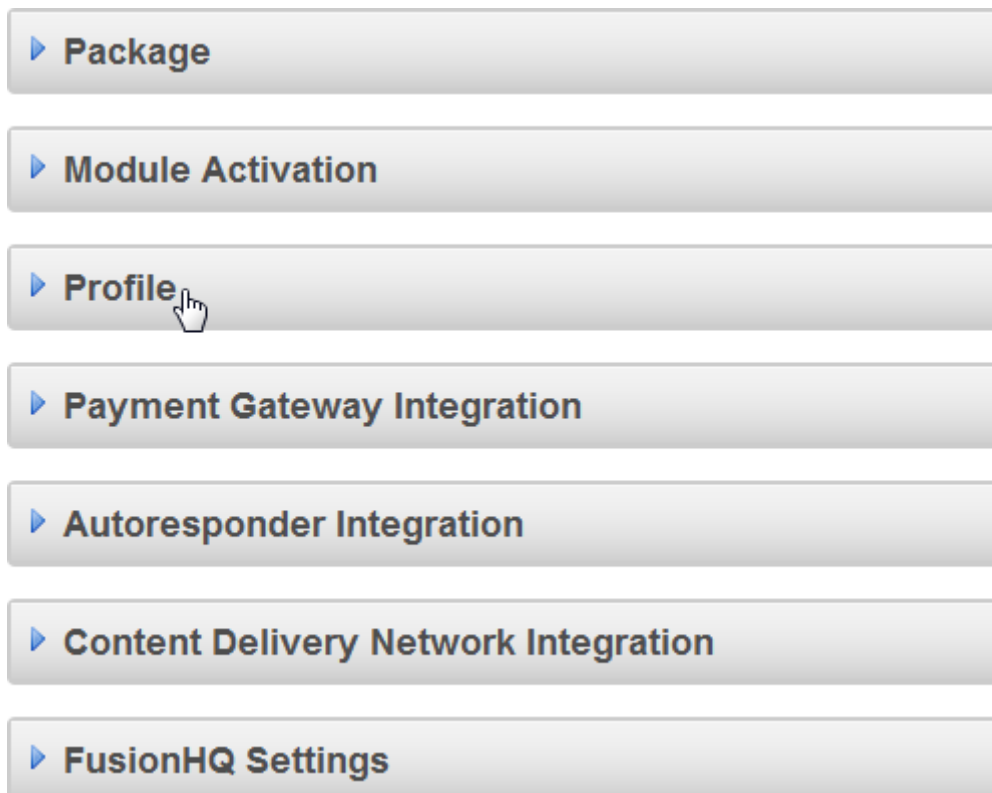

The initial password to access to your FusionHQ account will be automatically generated from your payment transaction.

If you find it is too long and complicated to recognize, feel free to change it anytime. Please follow the instructions below.

Step 1: In your account, go to "**Settings**" on the right corner of your FusionHQ account.

Step 2: Click on "**Profile**" tab.

Step 3: Enter the new password in "**Password**" and "**Password-confirm**" and click on "**Save**" button at the lower part of the page.
