

Your Membership Levels Within FusionHQ

FusionHQ has two membership levels - Professional and Professional Plus. Professional level members take advantage of our Lifetime Package. Professional Plus members subscribe either monthly or yearly. This level gets access to our hosting and mailing service whereas the lifetime members can have these services with additional cost.

To check your membership level, click on "**Settings**" on the top right corner of the page inside "**Central Control**".

Step 1: Click "**Settings**".

Step 2: Click "**Package**" to see the details.

Step 3: "Professional account" refers to our lifetime package.
